

DEPLOY IN KUBERNETES CLUSTER:

TEAM ID	PNT2022TMID33587
Project Name	Personal Expense Tracker Application

The screenshot displays the Kubernetes dashboard interface. The top navigation bar includes the 'kubernetes' logo, a 'default' namespace selector, a search bar, and user profile icons. The main content area is titled 'Workloads > Deployments'. On the left, a sidebar lists various Kubernetes resources: Workloads (Cron Jobs, Daemon Sets, Deployments, Jobs, Pods, Replica Sets, Replication Controllers, Stateful Sets), Service (Ingresses, Services), and Config and Storage (Config Maps). The 'Deployments' section is active, showing a table with one deployment named 'jobportal'. The table has columns for Name, Images, Labels, and Pods. The 'jobportal' deployment is shown with a green status icon, a 'Show all' link under Images, another 'Show all' link under Labels, and '1 / 1' pods. Above the table, there are two charts for 'CPU Usage' and 'Memory Usage', both displaying 'Waiting for more data to display chart...'. The browser's address bar at the bottom shows the URL: 'https://eu-de.containers.cloud.ibm.com/kubeproxy/clusters/cdcmchf02rs9j9pod...'.

Name	Images	Labels	Pods
jobportal	Show all	Show all	1 / 1
